Dear SLOPES Members

An update follows on a few things.

1. Village Meetings - Saturday 22 June 2013

NPWS advise that these meetings will take place on 22 June 2013 as follows:

Guthega - am

Perisher/Smiggins - pm

The purpose of the meetings is for NPWS to present on current issues affecting Perisher Range Resort stakeholders, including SLOPES Clubs, and to answer their questions.

SLOPES will be represented at the meetings and will report to Clubs.

But a wider attendance from as many Clubs as possible is highly desirable to get a good cross section of views and issues.

Please circulate your members to diarise the date.

Exact times and venues and the meeting agendas will be advised when available.

2. PRREMS Reporting - reports due 30 April 2013

Reports were originally due 14 April.

All Clubs must report under their lease covenants.

An extension to 30 April was given and notified individually by NPWS to Clubs yet to comply.

Please comply by the due date as this data is important for the upcoming EMS/MSU meetings in May with NPWS in relation to management of the Perisher Range Resorts.

3. Australian Alpine Resorts Forum - 1 and 2 May 2013

A reminder this takes place later this week on 1 and 2 May 2013.

It is not too late to book: see http://www.mthotham.com.au/news/latest/MTH_News_8-April-13_14215.asp

SLOPES will be represented and we will report to Clubs.

Speakers include the following:

- Hon. Ryan Smith, Victorian Minister for Environment & Climate Change
- Herwig Demschar, Senior Vice President/International Business Development, PowdrCorp US
- Greg Magi, Executive Director of Delaware North, Australia Parks & Resorts
- Peter Brain, NIEIR
