Subject: Link Road (Guthega/Smiggin Holes/Guthega)

Hi Frank, we received notification this morning from Perisher's Mick Rowson that there will be restricted access to Link Road each morning and each afternoon until snow conditions change.

- There will be one way vehicular access from Guthega Rd to Smiggin Holes each morning from 8.00 am until 9.00am. The gates will then be locked.
- There will be one way vehicular access from Smiggin Holes to Guthega Road each afternoon from 4pm until 5pm. The gates will then be locked.

Perisher advise that arrangements may change at any time and that responsible driving is a must. In the mean time we're sure that everyone will benefit from this effort to make a Guthega stay more enjoyable until the cover improves.

We have phoned and/or visited each club in Guthega this morning and copied this email but you may like to resend in case our addresses aren't up to date.

Kind regards

Nick and Jenny Kennedy
