Subject: Perisher XC Work Party # 2 - Feb 28/Mar 1, 2015

To: NSW XC <nswxc1@gmail.com>

XC Work Party # 1 is behind us and planning for #2 is underway. If you can attend on Feb28/Mar 1, please contact Peter Ward (nswxc1@gmail.com). If you require accommodation, let Peter Cunningham know (peter.cunningham@actewagl.com.au).

Last weekend saw the demolition of the old kitchen in the North Room, painting, general maintenance and extensive ground works (mowing, slashing, weeding and tending of the plantings around the Shelter). The trail crews continued the never-ending job of pole/marker maintenance, rubbish collection and an audit of work required over the remained of the summer. No one needed extra fitness training after these big days, but a some finished off with a good bike ride anyway. And the fishers amongst us found a final bit of energy to cast a few lines.

Work Party #2 is planned to include snow fence maintenance, rock removal and Nordic Shelter projects (all dependent on weather, etc).

Thanks to all of the workers (about 20 each day, with a number of first-timers), NPWS and Canberra Alpine Club. It was a productive weekend and great company.

Part of the painting crew - all had trendy white streaks in their hair at the end of the day.....
