Dear SLOPES Members

This email is by way of further update on the Governance Review (aka Resorts Management Review).

1. OEH CONSULTATION MEETINGS - ROUND 2

OEH advise:

Proposed next meeting date

We are proposing a second round of stakeholder workshops for 18 April (Jindabyne) and 19 April (Sydney CBD). This is advance notice of those dates. We will send out a formal invitation shortly.

The timing of the meetings is not clear. Best information from OEH is:

*The meeting times have not been confirmed but are proposed for after business hours. The times are most likely to be 6pm (or even 5.30) in Jindabyne and 6.30 or 7pm in Sydney.
The workshops may go for about two hours but that is also subject to confirmation.*

SLOPES will represent Clubs at these meetings, as usual, and will update you afterwards.

2. OEH WEBSITE AND FEEDBACK PORTAL

OEH advise:

Perisher Resort and Charlotte Pass Resort management review – update

The internet site has been updated. A feedback portal is open for your members to provide [online feedback](#).

3. SLOPES CONSULTATION MEETING - 11 April 2016

SLOPES is proposing to hold a consultation meeting with Clubs ahead of the round 2 OEH meetings.

The details are:

Date: Monday 11 April

Time: 6.30pm

Place: Chatswood RSL (our usual AGM venue) (TBC)

The purpose of the meeting is to:

1. consult with Clubs based on the information available to date (which, so far as output from OEH on it's thinking, is very limited)
2. help to remove confusion that might exist regarding the 2 Reviews

3. gather input with which to represent Clubs at the Round 2 consultation meetings
4. canvass with Clubs any concerns about viability etc.

Please RSVP your attendance so we can arrange seating and catering - and confirm the venue depending on numbers.

Regards
