Dear SLOPES Members

The purpose of this email is raise the issue of personal travel insurance for skiers.

By way of background see this article.

<http://www.news.com.au/travel/travel-updates/warnings/australian-skiers-paying-price-for-shunning-insurance-when-skiing-in-nsw-and-victoria/news-story/e5d002e8e5c4b963b2716fb10e05d354>

This article discusses travel insurance for skiers - as distinct from voluntary workers insurance.

Clubs are covered under the JLT group insurance program for **voluntary workers** only.

In general terms voluntary workers are people working on club lodges on a voluntary basis (not people engaged in snow sports).

Individuals would need to take out travel insurance to ensure that they are covered for out of pocket expenses, medical, reimbursement of accommodation etc.

People tend to forget to take out travel insurance when they are only travelling domestically.

JLT have recently put together an exclusive arrangement through Accident & Health International (the same people that provide the Voluntary Workers cover to SLOPES Clubs) on an individual/family basis.

Cover includes higher age limits and sporting activities.

JLT have suggested to SLOPES that we monitor the interest and take up of this cover over the next 12 months to build up a database.

If the demand for this product is substantial, then JLT will approach and organise an exclusive tailored travel policy package for SLOPES members.

Any Club or individual wanting to discuss this kind of cover is asked to contact:
