Dear SLOPES members

Members would know that SLOPES has operated a website for several years.

The link is here: <http://www.slopes.org.au>

The main purpose of the website is be a resource for Clubs to access information relevant to them.

The website currently is being upgraded professionally.

But there will be an ongoing need to keep the website up to date and make minor improvements.

To minimise the cost to Members, SLOPES is looking for one or more volunteers to assist us with those ongoing tasks.

By way of further information:

### **Website system**

Wordpress managed by Techflare

### **Core skills required**

Familiarity with WordPress; ability to load and edit information; eye for detail; willingness to commit on an ongoing basis

### **Desirable additional skills**

Creativity for design work to improve functionality and make the website more user friendly; some knowledge of Club operations and the issues relevant to them

### **Time commitment:**

Will vary over time but probably no more than 1-2 hours per week.

Anyone interested in assisting is asked to contact SLOPES Committee member Dave Macdonald: [mac@pnc.com.au](mailto:mac@pnc.com.au)

Thanks

Regards

Frank Zipfinger
