Subject: XC Trails Summer Work Parties

To: Peter Ward <nswxc1@gmail.com>

Welcome to Perisher XC Summer - 2016-17.

Winter 2016 is just finished, an odd winter with some extraordinary late Main Range skiing, by all reports.

The first Work Party of the summer:

Before we turn our sights to the next winter, there is some mopping up to do - Saturday 26 November, 9am at the Nordic Shelter, one day only. The main project of the work party will be to pull up and store the temporary drainage pipes that help keep the trails dry through the winter. If you are in the area and can help during the day, please reply. Bring your gumboots and gloves, food and drink for the day.

The 2017 Perisher XC Summer Work Party Schedule starts in earnest in the new year - the first weekend of each month:

February 4-5

March 4-5

April 1-2

May 6-7

June 3-4

Please pencil in the dates that you can help out, and share a weekend that will probably be quite different from your usual weekends. If you haven't joined us before, you will be surprised at the landscape that lies under the snow and the projects that are undertaken by the volunteers and NPWS to maintain and improve the trails for winter.

Information will be sent out before each work party.

Looking forward to a productive, and enjoyable, XC summer.

Peter Ward
