Subject: Amendment - Freight Shed Operations and Parking - October 2017

To:

All – please note that overnight parking at Smiggin Holes will be available from Monday 2 October (not Friday 29 September) as previously stated.

Apologies for the confusion.

Perisher Range Resorts Lessees,

With the extended season the following arrangements will be in place:

- **Freight shed** operations will continue until COB Friday 6 October 2017.
- **Overnight parking** from Monday 2 October will be permitted at the northern end of **Smiggin Holes** carpark (past/above Wattle Lodge) and at the eastern (toboggan slope) side of **Perisher** car park..
- Lodge waste collection services will cease after Tuesday 10 October 2017.

Please also note that the Ski Tube and Perisher-Smiggin Holes shuttle buses will not be operating after Monday 2 October 2017.

Kind regards,

**Perisher Team**
