Dear SLOPES Members and Associates

See our email below by way of reminder of the L'Etape Event scheduled for tomorrow 2 December.

Attached is a screen shot showing serious rain and thunderstorms forecast for this weekend for the Perisher Range Resorts.

We understand a major cycling event has been closed already in Victoria where rainfall expectations are well over 100mm.

Please closely monitor the L'Etape website for updates on the L'Etape Event: <http://letapeaustralia.com>

Subject: Hello and L'Etape

Hello all,

For those that are not aware, I've taken over from Dave Woods in the "Environmental Liaison Officer Resorts" position with NPWS.

This email is also a reminder that L'Etape is occurring on December 2, which will result in significant road closures across the area. These road closures will impact on just about everyone in the Jindabyne / Dalgety / Berridale area, so if you're out and about you'll need to take these into consideration.

The attached map gives an indication of when the road closures are occurring. I can provide more detailed information if anyone requires it.

Could you pass this onto your staff, lodges etc and anyone else who might be interested.

Thanks,

Regards, Tim
