HELP CLEAN UP KOSCI

This Sunday “Clean Up Australia” comes to the top of Australia.

Please help us clean our backyard and playground – Kosciuszko National Park.

Kosciuszko National Park is our playground, and it also supports many beautiful and unique landscapes; recognised throughout the world.

Unfortunately, litter is an increasing problem in the National Park, and not just near ski resorts.

No one wants to have a rubbish tip in their backyard or playground so let’s come together and help clean up Kosci – our very special backyard and playground.

Clean Up Kosci Day is **this Sunday 11 March**, from 9am to lunch.

To register your involvement contact the NPWS Environmental Liaison Officer (Resorts) Tim Scanlon on 6450 5616 or tim.scanlon@environment.nsw.gov.au
