To: Leslie Ludwig <peter.leslie0@gmail.com>

This is a quick note to confirm that, in the absence of significant early snowfalls, the June 2-3 work party will go ahead.

There is still some trail work to complete, particularly on the new Ross, Ted and Carl's Links. And the Nordic Shelter will be prepared to be opened as soon as there is the slightest reason to do so.

Accommodation will be at CAC Perisher (thank you CAC, again). Note - thanks to Cooma Ski Club for providing accommodation at the last work party when CAC was unavailable.

If you will be attending, please contact Peter Ward - <mailto:nswxc1@gmail.com>
Contact Peter Cunningham if you require accommodation - <mailto:peter.cunningham@evoenergy.com.au>

Please bring the usual sturdy work clothing for indoors and out. Also food, drink and bed linen/towels.

Many thanks to all of the people who have been part of the XC trail and Nordic Shelter works throughout the summer.

Regards,
Peter W
