Dear SLOPES Members and Associates

Forwarded for your information is an email from NPWS containing the 2018 winter operations guidelines for KNP resorts.

A reminder also the the winter waste collection service guidelines can be found here: <http://www.environment.nsw.gov.au/resources/alpineresorts/150177-winter-waste.pdf>

Separately, the NPWS email advises that the annual Village Meetings will be held on Saturday 23 June.

Clubs are encouraged to send representatives to these meetings as they are an important opportunity to receive updates from and ask questions of stakeholders such as NPWS, FRNSW and Perisher in relation to the upcoming winter season.

For Clubs unable to attend, SLOPES representatives will attend the meetings.

And we will issue an update email to all Clubs following the meetings.

Any questions ahead of the meeting should be referred to Ryan Petrov, the Manager, Southern Ranges Services at NPWS - Ryan.Petrov@environment.nsw.gov.au

Regards

Frank Zipfinger
President

Dear lessees/licensees,

As another winter season is approaching the NPWS Southern Ranges Services would like to welcome you to contact us for any issues in relation with your winter operations.

If you have **new appointed managers** please provide in writing (via letter or e-mail) the name and contact details to avoid delays in processing applications. Owners/operators and returning managers do not require a letter.

Overnight parking bays will be issued in early June - applications must be received by **31 May 2018**.

Short message service (SMS) will again be our main means of communication with lodge managers so please ensure we have current mobile numbers.

Further information and application forms for access/parking, registrations and licencing are available on links below.
