Good afternoon Stakeholders

This email is to inform you that later this week letters will be sent to lessees of buildings in the Alpine Resorts that have overdue Annual Fire Safety Statements (AFSS) to follow up the submission of their 2018 AFSS.

The Department's records show that the submission rate of AFSS for 2018 is uncharacteristically low. As you are all aware, fire safety is a key consideration in the Alpine Resorts to ensure public safety, especially when occupancy rates are at their highest during winter ski season.

We will be asking lessees to make sure they are up to date promptly.

If you have any enquiries in relation to this matter please call Robin Ward, Planning Officer, Alpine Resort Team on 6456 1733.

Regards

Jenny
