Date: Friday, 30 November 2018 at 4:20:17 pm Australian Eastern Daylight Time

From: SLOPES

Dear Members and Associates

Please see below the reminder for Clubs participating in the Energy Project.

Regards

Frank Zipfinger
President
SLOPES

Energy Initiative

Can members please respond urgently to Energy Action confirming whether or not they wish to participate in the initiative for cheaper electricity.

Members should have received a report on their energy use last week and a estimate of the discount against current supply costs.

If you did not receive a report please contact :

Tim Smith

Energy Action

tim.smith@energyaction.com.au

0448 272 799

It is critical that members respond immediately as the offer from the energy supplier is only available for a limited time.
