Subject: We are changing the way we operate at Guthega Inn

For the information of your guests and members we would like to let you know that we are changing the way we operate at Guthega Inn.

The Inn will undergo significant works over the coming summer to protect and enhance it's character, safety and comfort and we are now taking the opportunity to streamline operations. From Monday August 19th 2019 we will not open to the public until 3pm each day when we will serve drinks, coffee and small plates.

We will not be open at lunchtime for food or drinks and will post signs trail side to that effect. We will of course continue to take dinner reservations and to provide breakfast, lunch and dinner for our houseguests. Thank you.

Nick and Jenny Kennedy.
