Dear SLOPES Members and Associates

This email updates you regarding:

1. Registering COVID-19 Safety Plans

SLOPES has been asked if Clubs should register their COVID Safe Plans with NSW Health.

The advice from Wotton + Kearney on this point is set out below.

The link to do so is <https://www.nsw.gov.au/register-your-business-as-covid-safe>

2. Tickets etc for Sat 15 – Sun 23 August

See the Perisher email below with details.

3. Interview with Peter Brulisauer

See attached a copy of an article from the July Snowy Mountains Magazine titled "*Interview with Peter Brulisauer*".

While a little out of date, the interview provides interesting insights into the operation of the Skitube and thinking around August operations.

REGISTERING COVID SAFE PLANS

Thanks Frank.

Although not compulsory I think it is prudent for members to lodge their COVID-19 Safe Plans.

It is a simple and cost free process on the NSW Health Website and I think registration of the Plan all the members to show that they have taken compliance seriously.
