Dear SLOPES Members and Associates

A reminder that our AGM starts today at 5.30pm.

The link to join is here: <https://slopes.org.au/agm-2020-links/>

Earlier emails have commented on our insurance review and that an update would be provided tonight: <https://slopes.org.au/wp/wp-content/uploads/2020/11/969-SLOPES-email-18-11-20.pdf>

For that item we will be joined by Charles Gow-Gates, Director of Barrack Broking Pty Ltd, who has been conducting that review on behalf of SLOPES.

As there could be many questions from the floor on various issues, we will use a Chatbox system for organising these during the call. Details will be provided at the start of the meeting.

Unfortunately we will not be joined by Peter Brulisauer who is a late apology.

Regards

Dear SLOPES Members and Associates

A reminder our AGM is on this Monday 23 November 2020 starting at 5.30pm.

Due to COVID it will be an online meeting. The link to join can be found on our website: <https://slopes.org.au/latest-news/>

All are welcome.

All the AGM documents can be found also at the same page on our website.

The Presidents Report is attached to this email for convenience.

We have previously advised that the key speaker will be discussing the Snowy Mountains Special Activation Precinct (SMSAP).

In addition, at the AGM we will provide an update regarding the consultant engaged by SLOPES to review the Marsh Program and the situation generally in respect of insurances for Clubs.

The focus of this work has been on the risk issues facing SLOPES Clubs, the alignment between risks and current insurance arrangements and opportunities for SLOPES Clubs to make improvements in the future.

Regards
