Dear SLOPES Members and Associates

This email updates you regarding:

1. Insurance Program - Barrack Broking - Update

The roll out of the new insurance program by Barrack Broking continued apace in late December including over the last few days.

There has been strong support from Clubs. Thank you for that, especially given the short notice and busy time of year.

SLOPES has been very impressed with Barrack's energy and attention to the individual needs of Clubs and the many questions asked by them.

A more detailed report for Clubs is being organised and will issue soon. We also plan to hold a webinar for interested Clubs to share comments and ask questions of Barrack.

For now Barrack advise two key points as follows:

*We have been appointed by 58 lodges and we have invited all to join the new SLOPES insurance program.
 If members opt to stay with SURA Hospitality (until May 2021) we will continue to represent them as their appointed broker.*

2. The Guthega Inn - January operations

See below information received from The Guthega Inn regarding their operating details in January.

3. Thanks to Clubs

This being the last day of the year, we would like to thank Clubs for their support of SLOPES during 2020 and to wish you all the very best for 2021.

Regards

Frank Zipfinger
